Bunka Gakuen Costume Museum is a specialist university-affiliated museum that specializes in clothing – a fundamental element of everyday life.. Each exhibition displays a variety of cultures through garments in an easy to understand manner.. After the Second World War, the museum received garments from East and South East Asia which were obtained before the war by an organization affiliated with the Japanese army.. Initially, the collection mainly consisted of European dresses, early Japanese western style clothing, and kimonos.. As a general fashion education institution it is central to fashion education in Japan and produces a large number of graduates for the fashion industry. [Can You Make Money Cryptonex CNX Mining](#)
